

NILES PROPERTY MAY BE SOLD FOR PARK SITE

A park for Niles at the entrance to Niles Canyon loomed this week as a real possibility. The city of San Francisco, which owns the property where the historic Valjejo mill once stood, this week indicated that it is willing to sell this parcel for use as a park. Two years ago the city refused to sell the land, 9.4 acres in size, for commercial use.

The Niles Chamber of Commerce will discuss means of acquiring the land at its meeting next Tuesday. It is probable that title must be taken by the county, the state or a district, since Niles is not an incorporated city.

In previous dealings with the city of San Francisco, the Niles Women's Civic Club, working on the project of establishing a large park in Niles Canyon on land now owned by that city, learned that San Francisco will only release the property to a political subdivision, such as a park district.

Eugene J. Riordan, director of property for San Francisco, this week advised E. C. Parks, Niles real estate agent, that the city is anxious to dispose of the land.

Surveys are now being made of the city's property along Vallejo Street, which will be sold at auction within 90 days, according to Riordan's office. Lots are being designated to accommodate the homes on the property, which has never been subdivided.

Insofar as possible, the city has declared its intention to sell the land, approximately 11 acres, to tenants now renting it. Twenty-five homes are in the area. The city does not own the buildings.

SOUTHERN COUNTY REPRESENTED ON PLANNING BOARD

For the first time since its inception there will be more than one representative from southern Alameda County on the Alameda County Planning Commission, with the appointment this week by the Board of Supervisors of John T. Gardella of Livermore on the commission, replacing the late Percy Nutt of Berkeley.

The other commissioner representing this district is Robert Wright of Irvington, chairman of the commission.

Gardella's appointment was made at the suggestion of Supervisor Chester Stanley. The appointment was effective May 26.

Gardella comes to his new position with no small amount of experience, having served on the Livermore City Planning Commission for eight years. He is a Livermore business man.

The appointment of a man from this district was deemed advisable because of the increased growth in this area, entitling it to more representation.

STUDENTS OF THE CLASS IN CITIZENSHIP at Washington Evening High School who were honored last Thursday on "I Am an American Day" were: (seated, left to right) Mrs. B. Bortez, Mrs. Moga, Mrs. Bucal, Mrs. Seno, Mrs. Accinelli, Mrs. Coronado, Mrs. Andermatt; (standing) Mr. Moga, Mr. Cortez, Mr. Realista, Mr. Dionson, Mr. Las Pinaas, Mr. Timmoan, Mr. Bucal, Mr. Abing. In the rear row are Principal Warren Gravestock of the Evening High School, Superintendent J. V. Gould of W.U.H.S., Trustees E. A. Quaresma, A. E. Alameda, S. G. Scott, M. J. Bernardo, and A. K. Logan.

JUDGE TELLS NEW CITIZENS THEIR RESPONSIBILITIES

"To perform his responsibilities, a citizen of the United States must be forever watchful to see that no subversive organization gains a foothold in our country," Judge E. A. Quaresma told an audience that filled the gymnasium at Washington Union High School last Thursday evening on the occasion of "I Am an American Day."

Ten new naturalized citizens of the United States were honored at the ceremonies.

Speaking on "The Responsibilities of Citizenship," Judge Quaresma traced the historical background of our present world problems.

"This country has waged several wars," he said, "in its fight against oppression and to uphold the rights set forth in the Constitution of the United States which belong to man because he is man. We fought the Revolutionary War, the Civil War, the First World War, the Second World War."

"Although we won this last war, we did not entirely win the peace because the menace of Communism has continued to move westerly in Europe."

"To further the fight against this type of oppression, the Marshall Plan came into being and, when the movement of this menace did not stop, just recently this country became a member of the Atlantic Pact."

Advising the new citizens of their responsibility at the polls, the judge stated:

"The right to vote is a powerful tool when rightfully exercised, but it can be a scourge when the voter fails to vote intelligently. The intelligent voter will vote in any laws that will assist in curbing Communism, and will vote out old laws which are obsolete or which might have a tendency to favor any minority group to the detriment of the majority of the people."

"The intelligent voter will only vote for men for public office who believe in the principles of Democracy and have the courage to back their convictions. An intelligent voter will not vote for a weak man or a man who is a puppet for any subversive minority group."

All of the new citizens had prepared for their examination by completing citizenship courses at the Evening High School, according to Principal Warren Gravestock.

REST HAVEN IN WARM SPRINGS

Mr. and Mrs. John Craig, formerly from Boston, Mass., announced this week that they have leased the old I. D. E. S. Hall in Warm Springs from Joe Betten-court, and will shortly reopen it as a rest home, to be known as "Warm Springs Rest Haven."

The place is presently being renovated and redecorated in preparation for the accommodation of 21 guests.

Associated with them in the business will be Mrs. Alice Lillywhite, a trained nurse.

'TOWNSHIP DAY' SET FOR FAIR

Agreement of all Chambers of Commerce in Washington Township to cooperate in a "Washington Township Day" at the Alameda County Fair was announced by Secretary Ralph Goodwin at this week's meeting of the Centerville Chamber of the California Inn Wednesday noon.

July 9 has been selected for the occasion.

Establishment of three crosswalks on Main Street is being recommended by the Chamber to the Division of Highways. They would be located at Central Avenue, the bus depot and the Cloverdale Creamery.

CENTERVILLE IS 'ON THE MOVE'

With completion nearing on two new store spaces in Centerville, "moving day" approaches next month for a number of retail establishments.

The new building, owned by Angelo Mariani and constructed by R. A. Griffin, houses two 18x60-foot store areas between Gilstrap's store and the fire house on the east side of Main Street.

Miller's Shoe Store and Sid's Pharmacy will occupy the new building. Presently they are located in the Center Theater building.

Van Scoy's jewelry store will move into the space now occupied by the shoe store, and Geraldine Rogers will move her gift shop from Henry Miller's into the space vacated by the jewelry shop.

All of the businesses concerned in this "musical chairs" shift are of post-war vintage. Miller's Shoe Store and Sid's Pharmacy have occupied store spaces in the theater building since its completion three years ago.

Edgar Van Scoy's jewelry business was established 18 months ago and Mrs. Rogers' gift shop, which will operate under the name of "Jerry's Gift Shop" in its new location, has been established for six months.

MISSION SEWER WORK COMPLETED

Laying of sewers in Mission San Jose was completed Monday, it was announced by R. J. Wright, secretary of the Irvington Sanitary District. The new line is approximately four miles in length and was laid at a cost of \$54,000.

Total cost of sewerage Mission San Jose, which was annexed to the Irvington district in December, 1947, has been approximately \$100,000. The work has been done in two installments.

The new disposal plant for the district will be finished June 15, according to Wright. Cost of the plant will approximate \$70,000.

Directors of the Irvington Sanitary District, in addition to Secretary Wright, are: Leonard Freitas (chairman), R. B. Benbow, Dr. J. H. Durham and William Rose.

TOWNSHIP BOY TO VIE FOR POST ON U. S. ALL-STARS

Twenty-four East Bay senior High School All-Stars will clash tomorrow night (Saturday) in their annual big game at the Oakland Oaks ball park in Emeryville.

Gene Bramwell, Mission San Jose, representing Washington Union High School, is the only all-around star selection out of the entire group of high school standouts.

The 24 youngsters, chosen by coaches and scouts, will be competing for two berths on the U. S. All-Star squad which meets a group of New Yorkers at the Polo Grounds in August. The two boys will be sent to New York with all expenses paid.

Gene Bramwell and Coach Irving Bird of the S.C.V.A.L. championship Washington ball team have been going to Oakland daily this week for practice drills. Dario Lodigiani, Les Scarsella, Billy Ramondi and Charles Gassaway have been coaching the boys toward tomorrow's big game.

Twelve baseball officials, headed by Charles Drensen, Acorns manager, will vote on the youngsters' performances, selecting the two best for the free New York trip.

An American Legion pageant, beginning at 7:45 p.m., will precede the game. The pageant will present the famous Col. Charles Young Post drum and bugle corps, majorettes, marching units, the United States Marines drill team and young Legion ball players.

Tickets are available at the Ford Garage in Centerville and at Washington Union High School.

FINAL RITES FOR NEWARK HOTEL MAN

George Butler, a resident of Newark for 26 years, and former owner of the Butler Hotel, was given final burial rites at Golden Gate National Cemetery in San Bruno yesterday, following his death Monday of a heart ailment at his home in Newark.

A native of Kentucky, the deceased was 59 years of age at the time of his death. He is survived by his widow, Maudie; by a brother, Douglas Butler; and by several sisters: Mrs. Harriet Maury, Mrs. Hester Barber, Mrs. Elsie Smith, Mrs. Ruby Meyers, all of Kentucky.

He was a member of Elks Lodge No. 1428 of Metropolis, Ill., and of the American Legion, Washington Township Post.

Funeral rites were conducted under the direction of the Chapel of the Palms.

NEW FACES AT DOCTOR'S OFFICE

Those who have gone to Dr. Lyle Buehler's office in Niles this week are being greeted by a new receptionist, Dorothy Boroff of Niles, who replaces Virginia Roderick. And Mrs. Maren Dawson, who had been away from the office for several weeks because of illness, has returned to assume her duties as office nurse.

HIGHWAY PATROL HOLIDAY WARNING

Faced with a three-day holiday period over Memorial Day, the California Highway Patrol this week marshaled forces to handle an anticipated flow of traffic.

"There will be no days off for any traffic officer from Friday through Monday," according to Captain Wilkinson of the Hayward office. "All special duty personnel will be assigned to patrolling highways and we hope to keep our accidents at a new low over Memorial Day."

Captain Wilkinson gave the following safety tips:

Be sure your car is in good mechanical condition.

Plan your driving schedule to avoid fatigue.

Don't drive after drinking.

Keep your speed within safe limits.

ALVISO DISTRICT TURNS DOWN SCHOOL TAX HIKE

Alviso school district residents turned down a tax rate increase at a special election last Friday, May 20, by a vote of 69 for and 92 against, thus necessitating the holding of a special emergency meeting at the school house next Wednesday, June 1, to discuss ways and means of providing sufficient funds for the school to function during the next school year.

The district, evaluated at approximately a million and a half dollars, voted against an increase that would have raised the tax rate from 80 cents to \$1.30.

School authorities, now that the increase has been voted down, are hard-pressed to stretch the school allocations over all the needs. It is possible, they state, that the bus and cafeteria may have to be discontinued.

Next Wednesday's emergency meeting, to start at 8 p.m., is open to all parents and those interested in the school.

LIGHT VOTE CAST IN SCHOOL ELECTIONS

There were no contests for the posts of trustees in any of the Washington Township school districts.

Votes were:
Alvarado, George Hocking, 28.
Alviso, Frank Faria Jr., 136.
Centerville, Judge Allen G. Norris, 27.
Decoto, Manuel White, 28.
Irvington, John R. Gomes, 74.
Mission San Jose, Frank Vargas, 17.
Newark, F. A. Muller, 13.
Niles, John Cattaneo, 64.
Warm Springs, Antone Vargas 14.
Washington Union High School: A. E. Alameda, 331; A. K. Logan, 305. (This does not include votes from Warm Springs and Decoto.)

RIDERS TO PARADE IN LIVERMORE

The Southern Alameda County Horsemen's Association will ride in the Livermore Rodeo next month, according to William Davis, of Decoto, president of the group.

Sen. Downey Proposes Study of Area Needs

WASHINGTON, D. C.—(Special to The Register)—A broad scale study of the needs of the San Francisco Bay area for additional arteries, bridges, causeways and other facilities would be made this year by the United States Senate's Public Works Committee under a resolution drawn this week by Senator Sheridan Downey. Senator Downey is a member of the Public Works committee and chairman of its subcommittee on rivers and harbors and flood control.

The resolution will permit a complete investigation of the so-called Reber Plan which proposes a number of joint structures to provide trans-bay transportation, the creation of fresh water areas in and adjacent to San Francisco Bay and the development of new lands for industry, agriculture and home building.

"Development of the San Francisco Bay area presents a number of problems in which local interests, the State of California and the Federal government are all involved," Senator Downey said this week.

"The San Francisco-Oakland area obviously needs more transportation arteries across the bay; so far that problem has been enmeshed in controversies between local and state interests and has largely centered around the building of a second bridge closely paralleling the existing structure. Also involved in such a project is approval by Congress and the president of easements over the Federal lands on Yerba Buena Island and, of course, many related problems of navigation and national defense."

Bills to provide easements over the affected federal lands have been introduced in both houses of congress, but no date has been set for hearings.

Referring to the Reber Plan, Senator Downey said that this proposal has many proponents and opponents and that he considered the only way to test the validity of the plan would be to hold congressional hearings at which the best qualified people would be called to testify.

"A thorough and objective investigation should prove whether the plan as a whole, or any part of it, should be the subject of further engineering studies and investigations," the senator said.

Senator Downey declared that the state of California and the several communities around the San Francisco bay area should welcome the type of investigation contemplated by his resolution. He enumerated several federal functions which would be served by a large-scale system of public works.

These include navigation, national defense, flood control, harbor development, the repulsion of saline tides in the rich farming lands of the Sacramento-San Joaquin delta and the reclamation of lands for agricultural purposes.

If the state and local governments cooperate with the federal government in building works which serve one or more federal functions, it can be expected that a proper share of the cost would be accepted by the federal government as its part of the total cost, the senator explained.

FINAL RITES TODAY FOR MARIA LEWIS

Burial rites will be held today (Friday) for Mrs. Maria C. Lewis, 86, of Centerville, who died Wednesday at the home of her daughter, Mrs. Marie C. Rose of Centerville, after a long illness. The funeral will be held at 9 a.m. at the Chapel of the Palms, with mass recited at Holy Ghost Church at 9:30 and burial at Holy Ghost Cemetery.

Mrs. Lewis is survived by her daughter and several sons who are prosperous farmers in this area: Joseph D., Antone D. Jr., John D., and Fred F. Lewis, all of Centerville; and by another son, Manuel W., Centerville postmaster.

Born in Fayal, the Azores, the deceased was a member of S.P.R. S.I. Lodge No. 3 of Mission San Jose, and of U.P.E.C. No. 19, Centerville.

LIONS CLUB BACKS YOUTH CENTER

The Centerville Lions Club, meeting Tuesday evening at the International Kitchen, gave its full support to the establishment of a youth center building in Centerville, and voted to contribute the first 10 per cent of the building's cost.

President Bob Moore will appoint a committee to work on the project, which is estimated to cost between \$3,000 and \$4,000. Urgency of the need was pointed out, since the Boy Scouts will no longer have the use of quarters behind the Masonic building.

It was suggested that the proposed structure be located on the elementary school grounds.

Nominations of new officers were reported by Judge Allen G. Norris, chairman of the nominating committee, and accepted unanimously. They are:

President, Ralph Goodwin; first vice-president, Irving Hird; second vice-president, Edw. L. Rose; secretary, Erle Hygelund; lion-tamer, Arthur Belshaw; tail-twister, L. S. Williams. Nominees for directors are: LeRoy Broun, Jim Logan, Col. Eugene Manning, and Harry Weber.

Election will be held June 14, and new officers will be installed June 28.

IRVINGTON MOTHER PASSES SUDDENLY

Attempt by Irvington volunteer firemen to save the life of Mrs. Margaret Telles, 30, by use of resuscitator failed yesterday morning. The young woman died 10 minutes after revival efforts were started. She had been ill for several days with a respiratory ailment.

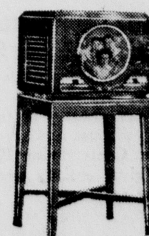

She is survived by her husband, Leonard, and two sons, Gerald, age 3, and David, 7.

Also surviving are her mother, Mrs. Mary Brown of Oakland; two sisters, Mrs. Ellen Valim of Oakland and Mrs. Beatrice Hemphill of Lodi; and a brother, Henry Brown of Hayward.

She was born in San Jose and had lived her entire life in Irvington.

Funeral services will be held tomorrow from the Chapel of the Palms, Centerville, with mass at St. Joseph's Church in Mission San Jose and interment at the Holy Sepulchre Cemetery.

DOUBLE TRAGEDY

Fire brought a second tragedy early Monday morning to Mr. and Mrs. George Ushijima of Alameda, formerly of Centerville, destroying business records and damaging their home less than 48 hours after the death of their only child, a 13-months-old daughter. Their daughter, Lynn, died Saturday at

an Oakland hospital following an operation for a tumor. Memorial services were held in the home Saturday night and funeral rites were scheduled for Wednesday at the Smiley and Gallagher Mortuary.

The grief-stricken parents were asleep shortly after midnight when two neighbors noticed smoke pouring from the house. One turned in the alarm while the other aroused the family. The front part of the house was a mass of flames and Ushijima and his wife, after making an attempt to flee through the front door, returned to their second story bedroom and dropped from a window 12 feet to the ground. They were caught by neighbors and neither was injured. The fire was centered in the corner of the dining room used by Ushijima as an office, and flames destroyed the records of his business. The living room and kitchen also were gutted and damages were estimated at more than \$3000. Firemen first believed that candles from the memorial service may have set off the blaze, but investigation disclosed that the rite had

been held more than 24 hours before and the candles left on a table before the living room fireplace.

George Ushijima, a wholesale produce dealer, served with the Army Intelligence Service during the war and later with the War Crimes Commission in the Philippines. George is a Washington Union High School graduate and lived on the Bell Ranch Bridge Road.

JUNIOR LEGION DEFEATS OAKLAND IN FIRST GAME

The Washington Township Post 195 American Junior Legion baseball team opened its 1949 season by defeating Oakland Post 5, 10 to 3, last Sunday in an afternoon game played at Centerville.

The winning pitcher for the home team was little Joe Castro, 5-ft-3 right-handed chucker, who pitched for the Washington Puppers. It was his game all the way through except in the fourth, when Oakland tied it up 3-3. Joe struck out 5, allowed 9 hits, and didn't walk any.

The losing pitcher for Oakland was Moyes, who was yanked in the sixth in favor of Slater. He in turn was relieved by Ameral in the seventh. All three Oakland pitchers together walked 7, struck out 7, and allowed 13 hits.

Oakland's big inning came in the fourth, when they scored their only 3 runs on a walk combined with 3 singles. The home team scored 1 in the first, 2 in the fourth and 2 in the fifth. They later followed with a 5 run rally in the seventh on two walks and four hits.

The leading hitter for the Washington Township team was George Pagan, who hit successfully three times in five trips to the plate.

HUSKIE TRACKSTERS PLACE IN TRIALS

The 1949 S.C.V.A.L. track trials were run last Tuesday afternoon at Fremont, in Sunnyvale, in order to select those to participate in the finals tonight.

The Washington B team looked surprisingly strong when they placed in every event except the broad jump and the 220 yard dash. Those who placed were Reyna and Galan in the 440 yard dash, Ruellas and Lane in the 880, Moga in the hurdles, Costa and Salvador in the discus, Costa in the shot put, and Wood in the high jump.

The Washington C team didn't look as strong as expected. Although they did exceptionally well in the relays, they were given a bad time in the other events by Fremont, Santa Clara, and Gilroy.

Those who are expected to do well for the C's are Chan in the 50 yard dash, Orochi and Chan in the 100, Orochi in the 220, Balcita and Bechtold in the pole vault, Martinez and Chan in the broad jump, and Balcita and Martinez in the hop-step-and-jump. Also, expected to do well is Charles Wood in the high jump and Gonzales in the shot.

The Washington Class A team didn't look so good as a whole, although there were a few outstanding participants. Those were John Evans in the low hurdles, Orbie Robertson in the 880, Gaunt and Herring in the discus, and Arias in the pole vault.

FOOTBALL SPRING PRACTICE STARTS

The Washington High football team started its spring practice last Monday with 65 eager players and three wondering coaches.

On the whole, the Washington varsity is going to be made up of green players with the exception of Alvarado, quarterback, Silveira and Pine, ends, Runolfson, tackle, Funk, guard, and Gurly, center.

The object of spring training is to get the players started on football training and to let coaches look over the new players in order to select the ones who might do them the most good in the fall.

The Washington baseball team started with a green team and came up with a championship so maybe the football team can do the same thing.

TROUT FISHING IMPROVES

Trout fishing has been improving recently on Rector Dam in Napa County. Some limits have been taken here within two hours.

A team, who would have probably placed, is suffering from a chipped ankle bone received in practice this week.

The class D team is in about the same fix as the A's. Those who placed were Maria in the hop-step-and-jump, Freitas in the high jump, and Bucal in the broad jump.

The finals are to be run at Fremont, in Sunnyvale, tonight.

HUSKIES LOSE TO SANTA CLARA IN SEASON FINALE

The Washington Huskies baseball team finished up the 1949 S.C.V.A.L. by bowing to the Santa Clara Panthers 6-5 last Monday night in a game played in Washington Park in Santa Clara.

Wacholz was the winning pitcher for the Panthers, but he was yanked in favor of Castelinas in the sixth when he walked three Huskie batters in succession. Both Panther pitchers together walked 6, struck out 5, and allowed but 3 hits.

George Rego was the losing pitcher for the Huskies. He was relieved in the fourth by Maurice Vargus, who was later relieved by Gene Bramwell. All three Huskie pitchers together walked 1, struck out 5, and allowed 8 hits.

This was the first time for most of the Huskies to play under the lights. When the game was finally over the Huskies had committed 6 errors to the Panthers 4.

The Huskies had their big innings in the fifth and sixth, both times scoring 2 runs, and both times with no hits. In the fifth they scored with one walk and three errors. In the sixth they scored with three walks and one error.

The Panthers had their big innings in the third and fifth, scoring three in each. In the third, with two hits combined with five Huskie errors, and in the fifth, on three hits, a walk, and an error.

Herminia Cunha Stinhliver photo.

Herminia Cunha has a very satisfied expression on her face. And why not? You see, her daddy, Corporal Elidio Cunha, has just returned from an army school in Virginia, and Herminia naturally feels very happy about seeing him again, even though he will soon be off for Camp Cook.

While her daddy is in Uncle Sam's service, ten-months-old Herminia and her mother stay with her grandparents, Mr. and Mrs. Antone Cunha of Newark. As a matter of fact it was her grandmother who made this dress she is wearing. It was worn by Herminia's daddy when he was christened, and also by Herminia when she was christened. It is of beautiful hand-made Madeira.

Herminia, like many of the Cunhas, has red curly hair and

Cooks' Night Out At Overacker Ranch

It was truly "ladies night" at the Michael Overacker home in Mission San Jose last Saturday night, for the husbands not only did the shopping, fed all the youngsters, but prepared an excellent steak dinner, and then—washed the dishes! Their wives, who enjoyed the evening more than any they could remember for a long while, would like a repeat on it—but naturally! After dinner they all adjourned to the hay loft in the Overacker barn, and danced folk dances.

Those who enjoyed the unusual affair were the Overackers, the Harold Millards, Mr. and Mrs. Roy Horn, Mr. and Mrs. Larry Thompson and the Ed Chadbournes.

HI CHATTER

By MARGARET COLE

Just think of it! Only fourteen more days until we can go swimming, vacationing, or more probably, job hunting!

The Girls' W Club made a pretty penny last Monday with their movie presentation of an oldie called "Sensations." That tight-rope walker had me sitting on the edge of my seat!

The Girls' League is well organized for next year under the leadership of Nonie Beck. Nonie and other officers will be installed on June 2.

After nomination speeches on Tuesday, Miss Sally Cooper gave a talk and demonstration on the subject of foreign correspondence with a French school. A movie was shown bearing on the subject with the result that many of the girls became interested and will probably form a club of their own at Washington Hi.

The League has also sponsored a clothing drive which ends today. Very satisfactory results!

The Junior prom has been pronounced a success by all who attended. No small share of the credit goes to the decorating committee. Their ideas were ingenious and most cleverly carried out.

A tremendous ovation was given the two blind musicians who performed so expertly at that assembly last week. The students have always enjoyed these programs and it seems that they get better and better. The same organization that sponsored the now famous Pierce Knox sends these young musicians on tour of various high schools where they perform and give short, informal talks on the work of the organization and the way it gives the blind a chance to become self-supporting citizens. Especially interesting was that part of their talk that dealt with Braille and the way in which they may avail themselves of the many transcriptions of books and magazines that are now being produced at a greater rate than ever before.

On Wednesday "Pop" and the School Trustees attended the final meeting of the year of the Alameda County School Trustees Association. They met at the Liver-

more Air Base as guests of the Pleasanton Elementary and High School Boards and had a delightful time with a steak dinner, speakers and some fine entertainment.

Last Thursday's assembly was made the occasion for the presentation of awards to Ellen Freitas for her participation in a recent public speaking contest. Music awards were given as well as presentations to the yell-

Today is Cotton Cluster Day and those of us who are talented seamstresses will wear their homemade dresses, thereby exciting the envy of the rest of us who aren't so gifted, after which they will enjoy a session of social and folk dancing.

The way of a research worker is tough and there's no telling what you may come across. Imagine the feelings of that Science student doing research on smallpox and coming across the boldly printed phrase, "From smallpox and love few remain free." I'd like to know which book he was using. There's something strangely unscientific about that remark.

How George and Jean won \$2,000 college scholarships

These two young Westerners, Jean Hathaway of Chico, California, and George Emde, Jr. of Lodi, California, will begin college next fall with the help of \$2,000 scholarships awarded by Standard of California.

They were chosen as outstanding among 4-H Club and Future Farmers of America members who raised and showed their own livestock at the recent Grand National Junior Livestock Exposition in San Francisco. Four other scholarships of \$1,000 each were also awarded—to Mary Lee Hay of Lovelock, Nevada; Robert Young of Quincy, California; Ralph Boyd of Lancaster, California; and James Buell of Buellton, California.

Scholastic ability, leadership, personality, records in club projects were all considered by 4-H Club and F. F. A. judges.

We'd like to say "Good Luck!" to George, Jean, Mary, Robert, Ralph and James. We know they'll do a fine job in school...and later as good citizens of the West.

TO FIND THINGS

A handy guide to folks who serve or sell—the Yellow Pages are an "extra" that makes your telephone more valuable

2. A happy solution—that's Classified's specialty. Each easy-to-find listing gives the address as well as the telephone number of the store or service you want... if you want to go in person, you can find the spot closest home. Many articles are listed by brand—along with stores selling them—if you're looking for a particular one.

4. Your telephone serves in many ways—Classified is one often taken for granted. But it's part of what we do to make your service valuable. Today you can reach more people—more can reach you. Yet the cost of service remains low. A call is yours for just a few pennies... a real bargain in these days of high prices.

FISHING TRIP

The DeCostas, Dan, Helen and Evelyn, and Mrs. Lopez of Parish Avenue, spent Sunday bank fishing at Byron. The day was beautiful and they had a grand time. Evelyn caught a two pound bass and Dan had a big one on his hook but it got away. Such a disappointed man you have never seen. Better luck next time.

Chloe! Chloe! Only in this case it wasn't Chloe but little Phillip Brazil who wandered off last Sunday while visiting relatives here. Phillip, who lives in Newark, decided he knew the way back to Grandma Seoane's house on Ninth Street, and while mommie visited with the Seoanes on Tenth Street,

he took off. After a bit of confusion (I bet that put in some gray hairs) Phillip was found on Sixth Street crying but being comforted by a woman who thought perhaps he was lost. Let's hope he doesn't do that again.

CANYON HEIGHTS
By MARGARET COLE

DINNER GUESTS

From Alameda came Mrs. David Spurts and her daughters to dine with the Harters of Deer Road last Sunday. On Saturday Mrs. Harter had as luncheon guests Maxine Marshall and Louise Fitzhugh.

ON THE MOVE

The "Bud" Lampleys have moved from the Osborne house on Canyon Heights Drive and now live on Pine Street in Centerville.

BACK TO UTAH

Mr. and Mrs. William Halliday and Robert Dunn left for their home in Provo, Utah, after a stay of one week with the "Dutch" Caziers on Canyon Heights Drive. The Hallidays are Mrs. Cazier's parents and Bob is her nephew.

TO CONCORD

Mrs. M. Wentworth left on Monday for a week's visit with her sister in Concord.

COMPLETES COURSE

Pfc. Gaylor Miller, son of the Millers of Canyon Heights Drive, has just completed his course in Airplane and Engine Mechanics at the Keiser Air Force Base, Miss. He expects to be transferred shortly to Shepard Field in Texas.

FROM MASSACHUSETTS

After an enjoyable motor trip from Massachusetts, Mr. and Mrs. Walter C. Ryder arrived here last Thursday. They will stay for about three months with their son and family, the Linc Ryders of Stenhammer Drive.

COMMUNITY SPIRIT

Chalk up another credit mark for the small boys of Niles. One day last week Eddie Logan, Bobbie Bradley and Albert Knox were playing near their homes in the Canyon when they came across a bicycle, a tricycle and a coat. Assuming correctly that these had been pushed over the hill by some irresponsible member of the Canyon Heights younger set, the boys brought the bikes up to the Heights and made a house to house inquiry to find the owners. We feel that such an unselfish act deserves more recognition than the grateful thanks of the owners of the bikes, so we take this method of publicly congratulating Eddie, Bobbie and Albert on their demonstration of a fine community spirit.

HISTORY OF THE ORIGIN OF HOLY GHOST

OBSERVANCE IN CENTERVILLE THIS WEEK

In the year of 1271 a baby girl was born in the City of Saragassa, Spain. At her baptism the child was called Elizabeth, after St. Elizabeth of Hungary, her grandmother's sister. She is usually known by the Spanish and Portuguese form of her name, Isabel.

The period into which Isabel was born was a turbulent one. The peoples of Spain and Portugal had so long been engaged in the fierce wars against the Moors that they had almost forgotten the arts of peace. The Moorish wars continued in Spain for more than two centuries after the birth of St. Isabel. Isabel was born amidst the din of battle and it was God's plan for her that she should spend most of her days making peace. She was a lover of peace, but no pacifist.

While Isabel was yet in her teens she became the wife of Dom Dinis, King of Portugal. Scarcely had Isabel arrived in Portugal when she found herself in the midst of civil war even though she had looked forward to a life of peace in her new country. Dom Alfonso, brother of King Dinis, laid claim to the crown of Portugal and backed his claim with an army. Isabel made peace between them and from that day until her death her offices as peacemaker were continually in demand. She became known to her people as the Angel of Peace.

Some of Isabel's biographers speak of her as a "born saint."

FINAL RITES FOR
NILES STEEL WORKER

The remains were shipped to Attwood, Kansas, for burial. The deceased was a native of Ludell, Kansas, and served for over three years with the Army Signal and Intelligence Corps. He had been a resident of Niles for three years.

He was the brother of Mrs. Melvin Thomas of Oakland, Mrs. Orville Olson of Niles, Mrs. Doyle Harrison of Newark, Mrs. Rollo Flemming of Jewelsbury, Colorado, Roy Most of Cody, Wyoming, Lyle Most of Denver, Walker and Ed Most of Ludell, Kansas, and Alvin, Jess and Albert Most of Attwood, Kansas.

She was canonized by Pope Urban VIII on May 25, 1625. All saints have certain virtues in common, for the stuff of which sanctity is made is the same in all but the popularity of St. Isabel was, her unusual devotion to the Holy Ghost.

St. Isabel, who was ever lavish in her aims to the poor and distressed, made the consecration of the Church of the Holy Ghost an occasion for special alms giving.

For a week before the festival, the poor of the neighborhood were invited and bountifully supplied with meat and bread. It was the wish of the Queen that this charity should continue every year at Pentecost and that the honor paid the Holy Ghost should be linked with practical charity toward the poor. This vow was made more than 600 years ago. It is still observed.

Following the tradition, the Holy Ghost Festival in Centerville will be held on Saturday and Sunday, May 28 and 29. Devotions will be held at the church on Saturday evening at 7:30, which will include the presentation of the crown and recitation of the Rosary. Queen Antoinette Pimentel, who will represent St. Isabel, and her attendants, Margaret Nunes and Arlene Silva, will be present. Immediately after the services, there will be out-door entertainment. Following the program there will be the parish dance, the music for which will be supplied by Fred Costa and his Four Kings.</
